			vaccination services for its students.		
	1.3.4 Bottom financial quintile student support Programs or initiatives to assist students who fall into the bottom 20% of household income group (or a more tightly defined target) in the country to complete their studies.	11 - 20 ธันวาคม 2565	1.Academic Market Fair: the 50th Anniversary Celebration of Rambhai Barni Rajabhat University, with the support of the University Business Incubator  The university has initiated projects to assist students who fall into the bottom 20% of the household income group. One such initiative is the Academic Market Fair, part of the university's 50th-anniversary celebration. This event aimed to cultivate entrepreneurial spirit and awareness among students, empowering them to generate income while pursuing their education. It inspired future business ventures, fostering the development of a new generation of entrepreneurs. Additionally, the University Business Incubator welcomes student entrepreneurs to apply for various programs, providing them with opportunities to nurture their business ideas across different sectors. Participation in these initiatives is entirely free for university students, with no associated costs.	https://sdg.rbru.ac.t h/project/detail/102	หน่วยบ่มเพาะ วิสาหกิจ UBI- RBRU

This effort aligns with the indicators for community enterprises and new entrepreneurs in the university's service areas who have found success through knowledge support from the university, as part of the first strategy for local development.  The 2022 Government Savings Bank's Youth Local Conservation Project The university partners with the Government Savings Bankto organize the GSB Youth Local Conservation Projectto foster learning among students and apply modern knowledge to enhance the quality and value of community products or services. The project also creates learning experiences and processes as well as knowledge exchange with communities. This involves understanding local lifestyles, identities, and indigenous wisdom, raising awareness of the importance of local development, and assisting community organizations in livelihood development, income generation, and the preservation of local wisdom.	https://sdg.rbru.ac.t h/project/detail/104	สำนักบริการ วิชาการ
